Subject: Nice Show on Saturday

Carolyn,

Thanks for inviting us to participate in your K-8 Gallery Show. The gallery looked great and it was so nice to see so many people there last Saturday. I enjoyed looking at the many pieces of work from our district as well as the work that the neighboring districts are doing. As always, the work of some of your regular artists was displayed well and you had some beautiful pieces of theirs in the Gallery. It was a pleasure to be there!

Thanks for including us, we are now getting ready for you high school show, since things only seem to get a bit crazier after Spring Break.

Thanks Again!

Joann
