

2019 Davison Road Rehabilitation Project

June 10, 2019

Project:

2019 Davison Road Rehabilitation Project

- Davison Road from Millville – Genesee - DeMille Intersection west to Roundabout

Project Overview:

City of Lapeer will be resurfacing Davison Road. The street will be open to traffic during this project. However, at times traffic will be directed by flaggers this will result in stop and go traffic flow.

Davison Road will include new storm culverts, shoulder and drainage improvements, street striping and markings, pavement milling, pavement repairs, a three-inch asphalt overlay, and new street signs.

City Staff and our contractor will work to keep you informed throughout this project.

Project Dates:

- Estimated Start Date: July 8, 2019
- Estimated substantial Completion Date: August 5, 2019

Please feel free to contact the Department of Public Works at (810) 664-4711 with any questions you may have regarding this project.
