HARDSHIP PROPERTY TAX REDUCTION RULES AND REGULATIONS

The City of Lapeer Board of Review will accept and evaluate applications for a homestead hardship property tax reduction or exemption based on the taxpayer's inability to pay property or the taxpayer's poverty according to MCLA 211.7u. This hardship reduction is only available to residents of the City of Lapeer for their homestead. The taxpayer must complete an application for a one-year hardship reduction or exemption and submit it to the City of Lapeer Board of Review during their annual meeting in March of each year as required by Michigan Statute. Applications are available at the City of Lapeer Assessor's Office. The application must be signed and notarized. Additionally, attached to the application must be a copy of the taxpayer's current Federal and State income tax forms as well as a copy of the current Michigan homestead property tax credit claim form. However, the Board of Review recognizes that recipients of public assistance whose sole source of income is from the State of Michigan may not complete a federal and/or State income tax form because the recipient will not be eligible for any income tax refund.
