City of Lapeer Residents, Patrons & Business Owners of Downtown Lapeer:

The City of Lapeer would like to thank everyone affected by the events that took place on Wednesday, May 29th in downtown Lapeer for their cooperation for what was most assuredly a stressful situation for all involved. Thankfully, we were able to safely mitigate the emergency situation with no one being injured or any significant property damage.

Lapeer is a great community. This was truly illustrated on Wednesday by the cooperation exhibited by everyone affected. The willingness of residents and business owners to evacuate the area, along with the understanding that was displayed by business owners and their patrons speak volumes about our community.

We wish to specifically thank Mary Piorunek, Lapeer County's Emergency Management Director and Elba Twp Fire & Rescue for their assistance during this event.

While we sincerely hope nothing like this occurs again, it is comforting to know that we have a community that works together when needed.

Respectfully,

Dale Kerbyson
City Manager

Terry Kluge
Fire Chief

David Frisch
Chief of Police

Pamela Reid
Director of Public Works
